

Make your own **Odious** *Lists*

Time: super fast, Cost: super cheap

1. Download the PDF and print out one copy of the game for each player on regular printer paper (everybody has to have a pen too).
2. Set a 90-second timer with your cell phone.
3. Go to www.randomlettergenerator.com to pick a letter (or just have somebody shout a random letter before starting the round).
4. That's it. It's so easy to do yourself that we probably shouldn't just be giving it away for free. But we do it cause we love you.
